

Loud Shirt Day

Loud Shirt Day is a national community fundraiser that encourages all to #WearItLoud in support of children with hearing loss.

Hearing loss is the most common disability diagnosed at birth, however, it is not that 'visible' to everyday Australian. Wearing a loud shirt is a simple ask that anyone can get involved in - from schools, workplaces, retailers, restaurants, and community groups.

Getting LOUD provides awareness and visibility to our cause in a way that is easily accessible for all.

Why we need your help

Telethon Speech & Hearing needs help to raise awareness and raise funds to provide early intervention services for children who are deaf or hard of hearing to listen and learn spoken language, to ensure they have the necessary skills to reach their full potential in life.

1

Sign up

Sign up for Loud Shirt Day at fundraise.tsh.org.au/loudshirtday and invite colleagues, friends and family to support you getting LOUD.

2

Wear it LOUD

Wear your loudest, brightest outfits on Friday, 20th October while sharing photos of your fun-filled day online.
#WearItLoud #LoudShirtDay

3

Donate and make a difference

Transfer donations to Telethon Speech & Hearing and help support educational and therapy programs for kids who are deaf.

Present a donation at Telethon!

The highest fundraiser may be invited to be part of a donation presentation to hand over funds from the event during Telethon 2023!
